

Quo Vadis Americum?

(Where are you going America?)

Where is this once great land heading? Where are our elite going to take us? That is a question that more and more seems clear to wide Awake Americans, those who know their God and can see the times. There are some very ugly things going on in our world today and inside the nation, we are seeing all the growing signs of a society in terminal decline. Over the weekend, we saw the worst mass shooting in American history when an alleged American Muslim (I have to say that as the MSM news these days is pretty unreliable) shot over 100 and killed over 50 people and a gay bar in Florida. As of Sunday PM, the newsbeat makes clear that this was an act of terrorism with [possible ties to ISIS](#).

It's hard to understand what has happened this once great land if one does not understand what God has and does expect from America. We as a nation have been guilty of an orgy of violence, both at home and abroad. This shooting was not the last one, and as we all know it is hardly the first mass shooting in America. This has been a consistent pattern in American society. Someone either going crazy or making some twisted political statement with a loaded weapon.

Brothers, America is falling into the lap of satan. When violence, perversions and corruption meet, satan is certainly a key ingredient in the mix. This is what has happened to the nation. You see, I don't really think there is anything that can, at this point in time, be done for the nation. It's too far gone. On the last day, America and her citizens will be considered 'goat nations'. This is one of the things the man who had the visions of 'I saw the Tribulation' saw. I think that yes, this is what we will be seeing in our nation. More 'goat like' characteristics showing forth. He said that if America did not repent by 2003, that she would be lumped in with the Goat nations.

*When the Son of man shall come in his glory, and all the holy angels with him, then shall he sit upon the throne of his glory: And before him shall be gathered all nations: and he shall separate them one from another, as a shepherd divideth his sheep from the goats: And he shall set the sheep on his right hand, but the goats on the left.
(Matthew 25:31-33, KJV)*

What was once blessed beyond all others can be cursed in the same manner if we as a nation fail to repent or our truly abominable crimes. Dear brethren. I have long felt, in fact

for about a decade, in my spirit and in my prayer closet, that America has passed some spiritual threshold from which she will never return. One look at the kinds of people we have running for President should really tell us of the real character of our nation. From wars, the covert instigation of them, setting brother against brother in race wars overseas, to overthrowing the governments of others - this has been the pattern of America and the people are none the wiser and worse, most just don't care. This is the center of luciferian control. Yes, I did say and mean luciferian. Shaking the kingdoms again, this is directly our of the dirge against Lucifer found in the book of Isiah, 14th chapter (Dirge against Lucifer/Babylon).

*They that see thee shall narrowly look upon thee, and consider thee, saying, Is this the man that made the earth to tremble, **that did shake kingdoms**; That made the world as a wilderness, and destroyed the cities thereof; that opened not the house of his prisoners?
(Isaiah 14:16-17, KJV)*

Brothers, America has been doing this for some time now, particularly under President Obama. Arms? who sells the most weapons in our world today? It's America, that's who. Isiah, in chapter 14 is laying out who lucifer is and just as importantly giving us a vivid and poetic description of true luciferian government. Brothers I can tell you this - it is **incredibly** deceptive and just as seductive.

So where is America heading? Where will the next administration take us? Will violence and arrogant unilateralism continue on at its usual satanic proportions, or will some kind of sanity take hold? Will Americans continue to dope themselves up with Heroin, Pot and anti-depressants? Will sexual immorality (both hetero and homo) grow to even greater abominable heights? Will traitors, criminals and spies continue to be given free reign in the halls of power?

Brothers, I think there is about a 0% chance for positive change and a 99.9% chance that things will continue to slide downhill at an even more rapid pace under the next President, regardless of party or gender.

We Americans have set a pattern and mold for ourselves and we can no longer break free of it.

We want our wealth, sin and pleasures too much to make a change, so we flock to leaders who promise us more wealth, sin and pleasure and could care less about the consequences, either temporal or spiritual. The candidate who promises the best 4 year party gets into the White House.

We'll worry about paying for it later.

The problem is that for all of those past party's, later is today.

I do not see any signs of repentance in America but rather a stubborn pride and arrogance in its sinfulness as somehow it's divine right to do evil. Well, it is 'divine' - to the god of this world and the spirit of this age.

*Dear readers I take no pleasure in writing this. **None.** But there is a lack of divine insight and moreover a deep cowardice I see in far too many Christians who would rather be loved by this world than stand up against evil and speak out against it. This can and should be done by more pastors and priests, by more prophets and bloggers who claim (let me stress that word CLAIM) to know the Lord.*

***Cry aloud, spare not, lift up thy voice like a trumpet,
and shew my people their transgression, and the house of Jacob their sins.
Yet they seek me daily, and delight to know my ways, as a nation that did righteousness,
and forsook not the ordinance of their God: they ask of me the ordinances of justice;
they take delight in approaching to God. Wherefore have we fasted, say they,
and thou seest not? wherefore have we afflicted our soul, and thou takest no knowledge?
Behold, in the day of your fast ye find pleasure, and exact all your labours.
Behold, ye fast for strife and debate, and to smite with the fist of wickedness:
ye shall not fast as ye do this day, to make your voice to be heard on high.
Is it such a fast that I have chosen? a day for a man to afflict his soul? is it to bow
down his head as a bulrush, and to spread sackcloth and ashes under him?
wilt thou call this a fast, and an acceptable day to the LORD?***

***Is not this the fast that I have chosen? to loose the bands of wickedness,
to undo the heavy burdens, and to let the oppressed go free, and that ye
break every yoke? Is it not to deal thy bread to the hungry, and that
thou bring the poor that are cast out to thy house? when thou seest the naked,
that thou cover him; and that thou hide not thyself from thine own flesh?
Then shall thy light break forth as the morning, and thine health shall spring forth
speedily: and thy righteousness shall go before thee; the glory of the LORD shall be thy
reward.***

*Then shalt thou call, and the LORD shall answer; thou shalt cry, and he shall say,
Here I am. If thou take away from the midst of thee the yoke, the putting forth of the finger,
and speaking vanity; And if thou draw out thy soul to the hungry, and satisfy the afflicted
soul;*

*then shall thy light rise in obscurity, and thy darkness be as the noonday:
And the LORD shall guide thee continually, and satisfy thy soul in drought,
and make fat thy bones: and thou shalt be like a watered garden, and like a spring of water,
whose waters fail not.*

(Isa 58:1-11)

Why is America - the American experiment failing? It is because the nation has turned on the Lord and given heed to deceitful spirits and wicked men and women whose hearts are given over to covetousness, sexual immorality, false religion, hate, murder and every wicked deed. These are the kinds of men and women Americans consistently elevate into positions of power and influence. The deeper problem is that such men and women in fact, are a deeper reflection of the character of far too many people in our nation...

...Nominal 'Christians' included.

*Like the lost, they want their cake and eat it too without thought of the broader and deeper consequences of their choices on the nation **and others** in the nation. When I see the rise of men like Trump and the support he is getting from a lot of so called Christians, I ask myself - do they even care what a Trump Presidency will do to the poor, to minorities and the homeless? Or are they voting for him because they hated Obama or because he is White and says some things that often sound pretty racist? What is motivating so many White Americans to vote for a guy like Trump?*

*This is not so much a slam against Trump as it is a slam against the narrow, selfish and yes, **devilish** mentality that afflicts those who claim to be (but aren't) Christians. But those on the left felt the same way about Obama. Christians, particularly Black Christians flocked to the polls to put him into power. What did he give us? Homosexuality and forcing Christian institutions to pay for abortions - more wars (though covert ones) that targeted the very poorest people on earth. He did not bind up the wounds of the poor man, [he blew them to smithereens](#). He allowed his own intelligence agencies to give arms to terrorists (he signed the waiver) and then tried to lie about who was getting the arms. Yes, while they will lie like the devil about it, US intelligence was key in assisting, in organizing, training and directing ISIS from its very inception. What was the result? [Go here and find out](#).*

This is the devil's work and the devil is working so hard, even in his 'heat acclimated' biology, he is breaking sweat working so hard!! He has been given significant latitude by a succession of Presidential administrations, not just Obama's to get busy with his satanic undertakings. They all seem to be saying to him, "We love you Lou... keep up the evil work!!"

*But you know what? I am not going to blame Obama nor Bush. This is a system and the American people are the root and branch of it. They know our Government is up to evil, but deep down inside, **they don't care**, not as long as there is gas at the pump, ice cream in the fridge and a 12 ounce steak and their local restaurant. If the severed heads of God's sheep are rolling around the desert as a result of American policies, what is that to them? They are heading off to the movies to see the next installment of the latest comic book spinoff.*

This is wickedness and the Church in America is part and parcel of this system. They are not called out (Ekkleisa - Church/called out ones) and separate as the Lord commands, they are the deeply intertwined with it, and dare not speak against the hand that feeds them and keeps them comfortable... and deceived.

Quo Vadis Americum? Where are you going? What are you doing? What is your plan? Is it to kill up half the planet so you can keep your SUV? Is it to blow away more women and children so you can feel safe and secure on your tempurpedic mattress, pooping Zoloft with your Obamacare prescription? How many other people's countries are we going to set loose the demons of chaos, instability, hate in order to bring in fascism - [RACIST fascism to the others](#)?

Dear readers, God is good and knows those people, that little flock that are truly this. His people will cringe at giving support to this system, except to change it for the better, not

just for themselves, but for the sake of others in the nation and more importantly to align the nations priorities with those of the most high God, rather than the most low satan.

Americans prefer the most low satan and trends in this nation in almost every sphere of life make this plain to those who know God.

Brothers, we as sincere Christians need to stop thinking we can change this nation for the better in the political realm. If there is going to be a positive change that we can effect, it is going to have to be in our prayer closets and prayer groups. Deep, intercessory prayer should be lifted up for the people and institutions of this nation and that the strongholds of satanic influence are both exposed and taken down.

We don't need another political action committee, or another head-fake candidate who will tell his constituents what they want to hear during the election and then betray them afterwards. Such men are liars and no consistent and habitual liar has anything to do with the Lord. They are servants of the devil - man or woman; Black or White.

Brothers, it is my hope that we as nation do some soul searching. But if that is not possible, perhaps Christians, real Christians can and begin to make a difference in the Spiritual realm against the deep satanic stronghold that has its tentacles wrapped round all three branches of Government in DC and has a pretty strong grip in many State Houses, Police Stations, County Councils, Courts and other key institutions in the American nation.

*Where is America heading? Where will she head? She needs to change direction and begin to acknowledge God in all things and give honor to him, not just in form, but in word and in **deed**. This nation needs to remember the God who made us into the very great nation we are or discover what it means to be known as the [land of Ichabod](#).*
