Pole Shift

I saw an interesting article on the web last week and before I posted here, I thought I would prepare a short paper on this subject. Other articles have also appeared.

There is a polar shift coming. Already, there are signs that the earths magnetic pole is both moving and weakening from the 'north' that has steered ships for centuries. Even modern aircraft have been effected. Many of the earth changes we have seen may very well be attributed to the earths shifting magnetism. From massive tornado's arctic like winters even to the massive flooding we have seen in places like Pakistan and Australia, these may have at least some of their cause with the Earths changing polar properties. The rate of the polar progression toward Russia and away from the present 'North pole', according to the above linked article, has sped up. There can be no doubt that the past several years has seem some very unusual storms, flooding and such. Even Saudi Arabia, the Desert Kingdom, is not exempt.

I certainly do not want to ascribe all, or even most of the strange weather we have seen the past several years all to a present day magnetic polar shift. I lack the scientific background to make such a call. Yet sadly, my respect for modern scientific research is so low that I tend to give as much credence to those 'backyard' researchers and independent scientists as I do to the politically correct 'consensus building' of modern Scientific thought usually purchased with large grants and donations from large corporations and wealthy individuals to support a political or economic agenda.

However, clearly there are some big changes going on in our world and while modern science, largely bought and paid for by Corporation America preach their 'gospel' of global warming, anyone with an internet connection and two functioning brain cells can see just how much of a fraud their 'science' is.

But there are changes happening in our world and no one with the same afore mentioned anatomical traits would deny this, it is written all over the headlines in our newspapers.
But the Holy Scriptures have warned all mankind of cataclysms far, far worse than those we have already seen. The bible not only predicts a pole shift, but that its effects will be far more than just a shifting of the Magnetic poles, rather that the earth herself will wobble with far greater intensity than we see normally causing great devastation. Let us take a good look at what the Scriptures teach.

*Behold, the LORD maketh the earth empty, and maketh it waste, and turneth it upside down, and scattereth abroad the inhabitants thereof. And it shall be, as with the people, so with the priest; as with the servant, so with his master; as with the maid, so with her mistress; as with the buyer, so with the seller; as with the lender, so with the borrower; as with the taker of usury, so with the giver of usury to him. The land shall be utterly emptied, and utterly spoiled: for the LORD hath spoken this word. The earth mourneth and fadeth away, the world languisheth and fadeth away, the haughty people of the earth do languish. The earth also is defiled under the inhabitants thereof; because they have transgressed the laws, changed the ordinance, broken the everlasting covenant. Therefore hath the curse devoured the earth, and they that dwell therein are desolate: therefore the inhabitants of the earth are burned, and few men left.*

(Isa 24:1-6)

In this verse we see that the earth is turned upside down and this causes enormous loss of life. We also see the cause of it; not Global Warming, not Global cooling and certainly not UFO's. No, the God of all things shall put a curse on the entire earth and empty it out. As I have warned my readers before, mankind will face the very real possibility of extinction in the days ahead as the sins of mankind await repayment. Why? Man has broken God's covenant and in response a curse falls upon the earth. If we notice here that God is extremely angry with all of mankind's evils and will just about wipe out all of the men on earth, rich and poor, borrower and lender, High man and low. We also see the real cause for the coming geological cataclysms, it is mankind's sin and evil. The reference to 'Everlasting Covenant' appears to refer to the shedding of innocent blood.

*So ye shall not pollute the land wherein ye are: for blood it defileth the land: and the land cannot be cleansed of the blood that is shed therein, but by the blood of him that shed it.* (Num 35:33)

*Yea, they sacrificed their sons and their daughters unto devils, And shed innocent blood, even the blood of their sons and of their daughters, whom they sacrificed unto the idols of Canaan: and the land was polluted with blood.* (Psa 106:37-38)

Changing the ordinance probably means passing evil laws that are opposed to right and good. This is something that the man if sin probably does that puts the final satanic
capstone on their new order.

And the ten horns out of this kingdom are ten kings that shall arise: and another shall rise after them; and he shall be diverse from the first, and he shall subdue three kings. And he shall speak great words against the most High, and shall wear out the saints of the most High, and think to change times and laws: and they shall be given into his hand until a time and times and the dividing of time. But the judgment shall sit, and they shall take away his dominion, to consume and to destroy it unto the end. (Dan 7:24-26)

It is because mankind consistently chooses the evil over the good, torture over mercy, a murder of the innocent instead of a fair hearing, lies instead of the unvarnished truth that these calamities befall mankind. It isn't the 'science', rather it is the morality that is the problem and this is why and where modern Science will always fail. Why? They proceed from a fundamental false assumption in almost all of their science... that there is no God. They have thus made themselves out to be fools.

The fool hath said in his heart, There is no God. Corrupt are they, and have done abominable iniquity: there is none that doeth good. God looked down from heaven upon the children of men, to see if there were any that did understand, that did seek God. Every one of them is gone back: they are altogether become filthy; there is none that doeth good, no, not one. (Psa 53:1-3)

Modern Science that refuses to acknowledge A God higher than its own pitiful and purchasable scientific conclusions. They are like a man groping in a cluttered room for his keys with his eyes taped firmly closed. He says he wants to know, but refuses to open his eyes. These are men who have already made a determination about what they will find and seek to manufacture evidence to support their suppositions.

Yes, it is sin that is going to cause our earth to undergo even more devastating earth changes as the days pass, not greenhouse gases. God is real and he is not going to be mocked; sin and evil are going to be dealt with in an extremely harsh way for this generation, both before and after their natural deaths.

Brothers and sisters, God's plan has always been to save man, from both his sin and the wrath that follows it. But those who refuse to forsake evil, will receive evil in the fullest measure.

Many non-Christians in their longing to continue their evil ways will always make some excuse 'how can a God of love do that to people'. It is really very simple. It is because he is a God of love and a God of Justice. If someone broke in your house raped your wife, slaughtered your kids, burned down your house and then crippled you, do you think that
they should pay for what they had done or get away with blessings and joy and eternal bliss? It is the same principle, God must be just and cannot let evil go unpunished and I can assure you, he won't. It is only through the sacrifice of Christ on his cross that we can obtain salvation. Through the precious redemptive blood of Jesus, we have the forgiveness of our sins. Any man who humbly seeks God out will find him, if you seek him with all your hearts. There is no other way to have ones sins washed away than the precious blood of Christ. In this, God showed just how much he loved man, that he gave his only son.

I speak now of these basic Christian doctrines for a very good reason. This is the Gospel and this is the basis for our Christian faith. God loved man so much that he gave his son for us so that we might be saved. But woe to him who spurns the Son of God!

Serve the LORD with fear, and rejoice with trembling. Kiss the Son, lest he be angry, and ye perish from the way, when his wrath is kindled but a little. Blessed are all they that put their trust in him. (Psa 2:11-12)

The culmination of all of these troubles outlined by the prophets of old is not that God is cruel or unjust, but that man loved his sin and evil so much that he did not care what price he has to pay to stay attached to it.

And the rest of the men which were not killed by these plagues yet repented not of the works of their hands, that they should not worship devils, and idols of gold, and silver, and brass, and stone, and of wood: which neither can see, nor hear, nor walk: Neither repented they of their murders, nor of their sorceries, nor of their fornication, nor of their thefts. (Rev 9:20-21)

So God must resort to global cataclysms in order to cleanse the earth of its evils and get rid of the major cause of the worlds trouble. Sinful, evil Man.

I will make a man more precious than fine gold; even a man than the golden wedge of Ophir. Therefore I will shake the heavens, and the earth shall remove out of her place, in the wrath of the LORD of hosts, and in the day of his fierce anger. (Isa 13:12-13)

The earth is utterly broken down, the earth is clean dissolved, the earth is moved exceedingly. The earth shall reel to and fro like a drunkard, and shall be removed like a cottage; and the transgression thereof shall be heavy upon it; and it shall fall, and not rise again. And it shall come to pass in that day, that the LORD shall punish the host of the high ones that are on high, and the kings of the earth upon the earth. And they shall be gathered together, as prisoners are gathered in the pit, and shall be shut up in the prison, and after many days shall they be visited. Then the moon shall be confounded, and the sun ashamed, when the LORD of hosts shall reign in mount Zion, and in
Jerusalem, and before his ancients gloriously. (Isa 24:19-23)

And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring: Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken. And then shall they see the Son of man coming in a cloud with power and great glory. And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh. (Luk 21:25-28)

Brothers, these verses tell us that there is much more that a 'mere' magnetic polar reversal going on. The verses all seem to indicate that the earth will no longer rotate on its current axis and that this is going to bring in the most destructive global cataclysms man has ever and will ever see. We see that the earth will reel to and fro, we see that the sun and the moon will also be seriously effected, we see that the very laws (powers) of the heavens will be effected. These are days of great tribulation and as our Lord warned us,

For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be. And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened. (Mat 24:21-22)

Now here is an interesting aside. The words 'those days be shortened' has usually been taken to mean that somehow the duration of the Tribulation will be shortened to save what is left of mankind. I will not argue with that intperetation, but rather give you an alternative explanation. First let us take a look at a passage in the book of Revelation and read it carefully.

And the fourth angel sounded, and the third part of the sun was smitten, and the third part of the moon, and the third part of the stars; so as the third part of them was darkened, and the day shone not for a third part of it, and the night likewise. (Rev 8:12)

This verse seems to indicate that the earth's rotation will speed up causing the days and nights to be only one third of their present length. While many will have trouble with this interpretation, it seems that whatever is happening in those days, it is far beyond anything any of us has ever experienced and just like the scriptures say, men's hearts will truly fail them with fear.

Brothers in Christ. I write these things to exhort all of you to not be fearful of the things we see happening in our world today. These are the birthpangs of God's coming kingdom and just like a woman in travail, those pangs get closer and closer together
ending in great agony and pain but with the ultimate Joy of Christ's return to save his Church and all of those who love him. to those of you who love your evil too much to even consider God, I will only warn you most solemnly in the name of the lord that God has a place for all who love evil and hate the good. it is called the outer darkness. If you hate the light of truth, be assured God will not force it down your throat. He will set you in a place where you will never see light again.

Then said the king to the servants, Bind him hand and foot, and take him away, and cast him into outer darkness; there shall be weeping and gnashing of teeth. (Mat 22:13)

And cast ye the unprofitable servant into outer darkness: there shall be weeping and gnashing of teeth. (Mat 25:30)

For those of you wanting a vision about this, you can find one here.

May God bless, protect and otherwise shield those who love him in the days to come.
