The Curse

*See, I have set before thee this day life and good, and death and evil; In that I command thee this day to love the LORD thy God, to **walk in his ways, and to keep his commandments** and his statutes and his judgments, that thou mayest live and multiply: and the LORD thy God shall bless thee in the land whither thou goest to possess it. But if thine heart turn away, so that thou wilt not hear, but shalt be drawn away, and worship other gods, and serve them; I denounce unto you this day, that ye shall surely perish, and that ye shall not prolong your days upon the land, whither thou passest over Jordan to go to possess it. **I call heaven and earth to record this day against you, that I have set before you life and death, blessing and cursing: therefore choose life, that both thou and thy seed may live:***
(Deu 30:15-19)

I do not speak lightly about curses. It's a *very* serious matter. So what I have to say today is in that vein, a very serious matter. This is not a political swipe at anyone, but it a spiritual word at the nation and its primary leader. It is not meant to drive you from one political party to another for today's political parties are little more than marketing ploys. They are the 'box' you buy in the store only to find out when you get home that the same thing that was in the GOP box is in the Democrat box - flies swarm out, worms crawling around... and it reeks. They just have different pictures on the front of their respective boxes.

What needs to be understood here is that the next four years are going to be pivotal. The last four years... we have not had one single federal budget! You heard right, this President's term is marked by a country so dysfunctional they we do not and have not had a Federal budget, *even though the law requires one*. Congress and the President have both abandoned their legal and constitutional responsibilities. Now this President, in his usual fits of fiscal irresponsibility, has the temerity to ask Congress to do away *permanently* with any further talk of debt ceilings. His solution? Just keep borrowing money with no restraint!. The debt ceiling is the last bit of restraint America has! That is

Obama's solution to America's debt crisis, more debt compounded on debt. - *"I'll just leave my filth to be cleaned up by the 'maid' of future generations."* This is Obama's fiscal policy in a soundbite.

But today, this President is not focusing on America's crisis. I am going to tell you what everyone 'in the know' in Washington knows and no one in the media will tell you. This President has fully embraced the gay agenda, **100%**. He presently is openly *and actively* soliciting for a White House that is predominantly not just gay, but *openly and militantly* gay. This is where this President's priority is now. He is going to charge 100% forward for the gay agenda... and who cares about things like 'budgets' and 16, going on 17 trillions in debts. The President has embraced what I will call the G2 agenda - Green and Gay. If it isn't dealing with one of those issues, it is highly unlikely a person will even get on the Presidents calendar.

In short, Obama is going to thrust this agenda on the nation. Let me let you in on a secret that the White House is now working on. He plans on making a serious attempt to remove the tax-free status of Churches that will not perform gay marriages. You heard that right. Informed insiders have made it clear that this is *already in the works*, so I would look for the real moves to be made before the end of the year. Some of you probably thought that Obamacare's attack upon Christian businesses was an unintentional side effect of Obamacare: No it was **central** to the spiritual underpinnings of the Ant-Christ system Obama fully intends to set up, while Black folks remain on their faces in worship and adoration of this man and his policies. Dutifully poking their own eyes out when they see something they might not like... to make sure they don't ever see it again. The further back the go, the deeper the worship.

This is how you wind up with a people so economically and socially backwards, its because they are willfully spiritually blind. This administration has successfully bamboozled black folks, now the devil is going to do the same number on the rest of America. Tool? The gay agenda. Black folks have gone backwards under this President. Why? He knew if he wanted to, he could put half of the Black population in jail and the other half would still vote for him. One insider said this to me... *"inside that man lies the soul of a David Duke"*, quoting someone else who sees things more clearly than most. Oh yes, others see the reality but you can't tell Black America that. They see a 'Black Leader; on TV touting Obama and they don't have the sophistication to find out who is paying the bills, who owns the station and where the owners of the station are putting their money and what they get back in return for their 'support'. So what I will call the 'Tom Train' choo-choo's right down the tracks to further Black impoverishment with 'Tommy', the engineer and David Duke like figures paying all the bills. Please....wait till we get to our destination before you put your sheets on.

The voices of reason inside the White House staff have all left. They shook the dust off

of their feet on the day they left, after smelling the increasingly pungent aroma of sulfur that permeates 1600 Pennsylvania Ave. They see what Obama has become, a man who no longer listens to others and has effectively 'deified' himself. Today, he is appointing nothing but yes men into his cabinet. Kerry, Hagel, Lew, Brennan... this is the "*Honorable Association of Bobbleheads*". Men who do not and have not had any original ideas but know how to bobble their heads at the proper moment. Lew however is a little more dangerous, he is a slickster with an eye to using his position to enrich himself... skirting the outer edges of the law in so doing. He is *last guy on earth* you want running the Treasury.

So expect a theater of propaganda to hit America from every conceivable direction pushing the gay rights and marginalizing those who hold fast the *whole* Gospel of Christ. This nation is going to experience this from PAC's set up by Obama, his family and henchmen to ramrod this agenda on America. Folks will not know what hit them and more importantly, from where it is being directed.

The good news is that Obama has already alienated the Hill and the Senate. He has alienated key people *within his own party* and he did this the same day he got inaugurated. Reid... its pretty hard to alienate him, but somehow Obama managed to do it. He won't get anything passed in the Senate without Reid. I say this is good news because if this is his real agenda for the next four years, then he may very well be a Lamé Duck President before the year is out, unable to move anything forward in the House or Senate because of this agenda that not even the Democrats want to move forward on with such demonic and potentially destabilizing repercussions.

I think my readers deserve to know this as well so listen up, the President is laughed at around world capitals. Yes, he really is. The Chinese laughed and mocked when they heard Obama inauguration speech. Oh yes they did especially when they heard his call for more 'gay rights' . What most do not know is that Chinese leaders/Organized Crime/Intelligence agencies have poured a mint into America's gay porn industry. Oh yes, they know the long term societal effects of that stuff... that's why they want to encourage it in America. Keep this in mind as it is something I have told my readers for a long time. *The Chinese don't think short term*. They think long term. Ten years is the shortest they really plan. Other plans they have go way into the next century. Some of them are moving way ahead of schedule. Putin? Do you know what he calls Obama behind his back? "*That dark 'f*-&*pucker'*". I kid you not. Hollande has made similar statements. Keep in mind that these are *not* my views, but the views WORLD LEADERS have of our President. Listen, he is just not respected because, while his a very intelligent man, he is in many ways just an empty suit and an important tool to be used by the highest bidder. Hollywood and the Gay Community put large amounts of money in the political vending machine, aka Obama. Now they are going to get their candy and wave it around in triumph. I can only say that that I think there is something

missing in that man... a deep, perhaps spiritual part of that man.... it just isn't there. He's not evil in the classic sense, but still...

But I will say this as well. When a nation decides to put the stamp of approval on those things God hates, it invites a curse. And be certain of this, without some real soul searching repentance, a curse is what is going to hit us. America has enjoyed prosperity like no other nation on earth. Military power like no other nation on earth. Good will and diplomatic strength like no other nation on earth. Why? We as a nation respected God and set our laws up in clear parallel to God's holy principles, *not contrary thereto*. The nation is not perfect, never has been. But as a nation we never endorsed open sin and rebellion against the God of the Holy Bible...

....that is until Obama.

He is now determined to do this thing, come hell or high water. I give all a word of warning: any so-called Christian who can sit there and not see what spirit is behind this? He had better figure it out... real quick because I see a lot of believers who should have known better than to vote for this man going under severe chastisement and even physical death for choosing what God clearly has marked as evil on election day. Chastisement is only for those who know God. Those that do not know him need not worry about chastisement. Their fate is significantly worse (damnation) and far more permanent. To put it bluntly, there is a very serious curse for willfully choosing the evil, **whatever your excuse**. When all hell breaks loose, no one will want to believe that their actions set disasters in motion. Devastating storms, Earthquakes, school shootings, terrorism, banking collapses and pandemonium. They will point the finger at someone OTHER THAN THEIR OWN WICKED ACTIONS AND CHOICES. That is when God just pulls the protective covering from the nation and lets the devil have his way. What is his way? To steal kill and destroy. What do I see in the future? An Exponent. In mathematics so it is in the spiritual realm. I see an exponential increase in troubles coming to America as we depart from God and the government turns its administrative, legal and eventually real guns on God's people inside her borders.

Now over the next four years I think things are going to move very swiftly for there are some real threats hitting American shores that sadly I have been **strictly** charged not to reveal, but are going to be utterly devastating to America and her economy. They will be nearly impossible to counter and everyone missed this one and now... its too late.

So I see all of this as just God's way of dealing with America's overflowing cup of sin, perversion and vice.

This is a spiritual war and the number one weapon that will be used against us real Christians is going to be President Obama who has given heed to deceitful spirits and

devils who have told him that he is better than other men and no longer needs advice from those who are not 'divine' like him and the God of all things needs to obey him on the Gay agenda, not the other way around.

*This is the interpretation, O king, and this is the decree of the most High, which is come upon my lord the king: That they shall drive thee from men, and thy dwelling shall be with the beasts of the field, and they shall make thee to eat grass as oxen, and they shall wet thee with the dew of heaven, and seven times shall pass over thee, till thou know that the most High ruleth in the kingdom of men, and giveth it to whomsoever he will. And whereas they commanded to leave the stump of the tree roots; thy kingdom shall be sure unto thee, after that thou shalt have known that the heavens do rule. **Wherefore, O king, let my counsel be acceptable unto thee, and break off thy sins by righteousness, and thine iniquities by shewing mercy to the poor; if it may be a lengthening of thy tranquillity.** All this came upon the king Nebuchadnezzar. At the end of twelve months he walked in the palace of the kingdom of Babylon. The king spake, and said, Is not this great Babylon, that **I have built** for the house of the kingdom by the might of **my power**, and for the honour of **my majesty**? While the word was in the king's mouth, there fell a voice from heaven, saying, O king Nebuchadnezzar, to thee it is spoken; The kingdom is departed from thee. And they shall drive thee from men, and thy dwelling shall be with the beasts of the field: they shall make thee to eat grass as oxen, and seven times shall pass over thee, until thou know that the most High ruleth in the kingdom of men, and giveth it to whomsoever he will.*

(Dan 4:24-32)

Will anyone listen to what I am saying here today? No... well very few. I know that. Folks are going to do what they want to do and if sodomy, stealing, lies, fraud, hate, murder, pedophilia, torture, lust, cruelty, adultery, fornication and blasphemy are what they want to do, then all they really have done is reveal the identity of their spiritual father.

And that is really all this President has done. I am not shocked by it and I am only mildly disappointed... insofar as one always holds out a little hope people will change for the better. In Obama's case, it has been for the worse. This bringer of hope and change's light is not one that is true.

*And no marvel; for Satan himself is transformed into an angel of light.
(2Co 11:14)*

Little children, let no man deceive you: he that doeth righteousness is righteous, even as he is righteous. He that committeth sin is of the devil; for the devil sinneth from the beginning. For this purpose the Son of God was manifested, that he might destroy the

works of the devil.
(1Jo 3:7-8)

My point here is not to get you to hate Obama, but to pray for him for there are some of *the most powerful* demonic strongholds on earth active over the White House and unless a man really has Christ, he is sure to fall prey to those principalities.

Inauguration

What I do not want to do today is to take away from this important day in America. We are swearing in a new President into office and we are doing it peacefully. This has always been the American way, a peaceful transition of power. This was even so in the tense years in the run up to the Civil War. While Lincoln did have death threats against him and had to enter into DC secretly, the nation experienced a smooth Presidential transition. This is a big blessing. If you do not believe me, ask the people of Egypt, they will tell you. So let us all give thanks that we live in a nation that can do this peacefully.

Let us also sincerely pray for our President as the Scriptures command all true believers to do. Set aside your politics and disappointments and pray for the man who will lead America into 2016. Pray God gives him desire to read, study, understand and obey God's commandments. Pray that as he opens up to God and that God will direct his paths and decisions. If we spend more time praying and less criticizing and hating him (as is the habit of too many in the Religious Right), the nation might be in better shape.

But what I do want to do today is get a better understanding of just what is happening today. This might disturb a few of my readers, but I think we should get a clear picture of the real meaning behind the events of today. David J. Meyer, who was once a witch (as in a practitioner of witchcraft) and was redeemed by Christ Jesus and exposed many of the connections between the occult and modern political events wrote this just before the last inauguration.

We must also bear in mind that the word inaugurate comes from the ancient Latin language of the old Roman Empire. In ancient Rome there were soothsayers called augurs who were invested with evil spirits and could supposedly declare the future. From the word augur came the word inaugurate, which literally means to take omens. - [Last Trumpet](#)

[Newsletter, Jan 2009](#)

Wikipedia talks about the Augurs and says this.

The augur was a priest and official in the classical world, especially ancient Rome and Etruria. His main role was to interpret the will of the gods by studying the flight of birds: whether they are flying in groups or alone, what noises they make as they fly, direction of flight and what kind of birds they are. This was known as "taking the auspices." The ceremony and function of the augur was central to any major undertaking in Roman society—public or private—including matters of war, commerce, and religion.

The Roman historian Livy stresses the importance of the augurs: "Who does not know that this city was founded only after taking the auspices, that everything in war and in peace, at home and abroad, was done only after taking the auspices?" - [Wikipedia](#)

These things should not surprise us as many of America's traditions come out of ancient Rome. Was it not Rome who had a Senate that represented the landed/wealthy classes? This is how our Senate was originally set up. They were *not* elected by the people but selected by individual state legislatures removing it from direct popular (plebian/commoner) elections. This was changed with the 17th amendment to the Constitution.

*The Senate of the United States was formed on the example of the ancient Roman Senate. The name is derived from the senatus, Latin for **council of elders** (from senex meaning old man in Latin). - [Wikipedia](#)*

How many times have we heard the term 'elder statesman' when referring to this or that Senator? It also should not surprise anyone that even the stamp of Rome's official Pagan religious body should be indelibly marked on America's political system. It is. It should not shock anyone who knows anything about US history that Freemasonry is also so intertwined with American history and government that saying the two have co-existed as a major part of the political structure of America since its inception. This is hardly a stretch of the truth. Many of America's founding organizations still exist, with heavy masonic overtones. Did you know that the Sons of Liberty still exist as one of America's more important secret societies? It does and plays an important role in the US political system. They are quite secret and can be called one of America's more 'no nonsense' secret organizations.

Please understand, I am not here to propound any particular conspiracy theory, just to

relate some of the lesser known facts surrounding our nation and its founding. Our leaders know of these things and if they don't and make a serious misstep, some of these organizations have a way of explaining their errors in a way that is unmistakable and at times permanent enough that the pupil does not live long enough to profit from the lesson. These are things you did not and will not read in our Jr. High textbooks and will have great difficulty in finding *accurate* information on, on the internet. These things are real. To deny them is akin to denying the existence of the Washington Memorial.

*The **Washington Monument** is an [obelisk](#) on the [National Mall](#) in [Washington, D.C.](#), built to commemorate the first American president, General [George Washington](#). - Wikipedia*

What is an obelisk?

An **obelisk** (from [Greek](#) *ὀβελίσκος* - *obeliskos*,^[1] diminutive of *ὀβελός* - *obelos*, "[spit](#), nail, pointed pillar"^[2]) is a tall, four-sided, narrow tapering monument which ends in a pyramid-like shape at the top. Like [Egyptian pyramids](#), which shape is thought to be representative of the descending **rays of the sun**, an obelisk is said to resemble a petrified ray of the **sun-disk**. A pair of obelisks usually stood in front of a [pylon](#). Ancient obelisks were often [monolithic](#), whereas most modern obelisks are made of several stones and can have interior spaces. - [Wikipedia](#)

I am using the Wikipedia links because they are unbiased and I cannot be accused of using 'Christian Propaganda'. But if you really want to get down to it, you can find out what the ancients were [really celebrating with these Obelisks](#).

On that note I will go out just a bit on a limb and post a link to a site one of my readers sent me over the weekend. But today, I will preface it with this verse that talks of end time Babylon.

*Stand now with thine **enchantments**, and with the multitude of thy **sorceries**, wherein **thou hast laboured from thy youth**; if so be thou shalt be able to profit, if so be thou mayest prevail. Thou art wearied in the multitude of thy counsels. Let now the **astrologers**, the **stargazers**, the **monthly prognosticators**, stand up, and save thee from these things that shall come upon thee.*
(Isa 47:12-13)

Nathan Leal over at Watchman's Cry has this to say about today's event. After seeking God on this matter, this is what he says God revealed to him.

If you are reading this after 12 noon eastern time – 1/20/13, this process is already underway!

As I have been seeking to find more understanding about this pivotal event, I was prompted to ponder a question about one of the primary Babylonian Princes mentioned in Jeremiah 39:3

Nergal-Sharezer is mentioned twice in Jeremiah 39:3

*“And all the princes of the king of Babylon came in, and sat in the middle gate, even Nergalsharezer, Samgarnebo, Sarsechim, Rabsaris, **Nergalsharezer**, Rabmag, with all the residue of the princes of the king of Babylon.”*

Why Twice?

Why is this? Why is he mentioned twice in this passage?

In our previous audio message and in several alerts , we went into great detail about the profiles and resumes of the demonic entities involved.

Based on the profile that has been uncovered about the demonic spirit Nergal, one of his attributes appears to be that he is a “god of the noon-time.”

When we consider that this entity seems to favor invocation during high noon, I find it interesting that Obama’s Inauguration Ceremony is taking place at 12 noon on January 20, 2013, (as per the 22nd amendment of the U.S. Constitution.) - [Watchman's Cry](#)

A little more can be found on [this link](#).

I think this is rather interesting. I ask all to click over and PRAYERFULLY read what he says. If you have questions about it, ask Nathan, not me. I am not claiming God showed me this, so questions should be directed to him. FYI, I have never been in contact with Mr. Leal.

I think the point that needs to be made is that the Spiritual entities that are in power over America are the same ones from long ago. Was it not the Prince of Persia who withstood Michael the archangel for 21 days? Was not the King of Babylon who was identified as Lucifer, the proud one (Isiah 14:4ff)?

Let the reader pray, pause and consider the times and line them up with God's holy scripture and let us not be fooled about where we, who are men

and women of God really are in the 'map' of spiritual warfare

That thou shalt take up this proverb against the king of Babylon, and say, How hath the oppressor ceased! the golden city ceased! The LORD hath broken the staff of the wicked, and the sceptre of the rulers. He who smote the people in wrath with a continual stroke, he that ruled the nations in anger, is persecuted, and none hindereth. The whole earth is at rest, and is quiet: they break forth into singing.

Yea, the fir trees rejoice at thee, and the cedars of Lebanon, saying, Since thou art laid down, no feller is come up against us. Hell from beneath is moved for thee to meet thee at thy coming: it stirreth up the dead for thee, even all the chief ones of the earth; it hath raised up from their thrones all the kings of the nations.

(Isa 14:4-9)

Is prophecy about to come full circle? Are we soon to come to fulfill the destiny of Babylon the Great? How much time do we have? Is there any clock we can use? [I can think of one](#) that may not be accurate from a spiritual perspective, but is from a temporal one.

In Christ.
